

Hello,

Can you help **Zach Nunn's Campaign** keep his strong conservative voice in Congress?

We need your help getting his name back on the ballot in 2026!

To do that, we need to gather thousands of signatures from registered voters like you across the district. That's where you come in.

**Can you help us by:**

1. **Printing out and signing the nomination petition of your county?**
2. **Asking 10-20 friends and neighbors to sign as well**
3. **Mailing the completed petition back to us at:**

**Team Nunn**  
PO Box 8036  
Des Moines, IA 50301

Every signature gets us one step closer to victory—and your support makes a real difference. If you're able, please also consider including a **\$10 donation** to help us cover printing, postage, and grassroots organizing efforts.

Zach's campaign is powered by Iowans like you who believe in service over politics and putting people before party. Thank you so much for standing with us.

If you have any questions, please reach out to George from Team Nunn at [George@zachnunn.com](mailto:George@zachnunn.com) or 515-450-3814.

With gratitude,

George Anderson
